

Economic Empowerment Project for Victims of Domestic Violence

Do you want to learn about money? Do you want to learn how to gain decision making power?

Come join us and let's become Financially Empowered!!

This class will empower survivors of domestic abuse to gain financial tools and information to understand their economic circumstances and the ability to financially plan for their future.

Daycare will be provided.

Do I need a checking account?

How does my credit score effect me?

Can I afford insurance?

What about those Pay Day Loans?

Can I budget on a limited income?

How do I create a spending

How do I run a credit report?

What is managing Debt?

What does Bankruptcy do to my future?
