## Working to End Homelessness in El Dorado County

---

The El Dorado CoC Rating and Ranking Committee members are responsible for rating and ranking project submissions and assigning priority. All members of this committee are familiar with housing and homeless needs within El Dorado County and are not affiliated with any agency who has submitted a project application in the 2016 CoC Competition. Each committee member is a CoC member who volunteered for this committee work at one of the regular El Dorado CoC monthly meeting. The El Dorado CoC's Homeless Coordinator advised this committee regarding the actual process as well as informed them of current HUD priorities and guidelines. Each committee member has one vote.

### **Project proposals are scored using five criteria categories:**

1. Leverage of Resources
2. Local Priority Alignment
3. Alignment with HUD Priorities
4. Agency Reputation for Quality Services
5. Local Need for Services
