How does your sponsorship make an impact?

\$5,000 provides 100 hours of counseling for survivors of sexual and domestic violence. The Center provides case management and counseling services for victims of domestic violence and sexual assault. We work one-on-one and in groups with victims of violence as well as their loved ones. These services are offered free of charge to all clients as we help them on their personal road to recovery and healing.

\$2,500 provides 50 nights at our safe house for one child. This past year our safe house was busier than ever. We provided 3527 nights of shelter for victims fleeing domestic violence. 58 children were given a warm bed and a safe place to stay.

\$1,000 provides 10 days of 24/7 crisis line coverage. The Center provides 24/7 crisis assistance to individuals affected by domestic violence and sexual assault. Counselors take crisis phone calls, meet victims of domestic violence and sexual assault at the hospital, and place families fleeing violence in our safe house.

\$500 covers the cost of the Second Generation Project (SGP) for 1 child. Children who witness domestic violence suffer long term health risks such as anxiety, depression, ongoing nightmares, substance abuse and Post-Traumatic Stress Disorder (PTSD). In 2016 the kids who went through Second Generation Project experienced a 28% decrease in their PTSD symptoms.

Yes, I want to be a 2018 Walk a Mile in HER Shoes Sponsor!

To let the community know that I stand with The Center for Violence-Free Relationships!
